## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application except that water which is used for domestic purposes, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefore. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic foot per second.

Actual construction work shall begin on or before February 1, 1948

Proof of commencement of work shall be filed before March 1, 1948

Work must be prosecuted with reasonable diligence and be completed on or before February 1, 1949

Proof of completion of work shall be filed before March 1, 1949

Application of water to beneficial use shall be made on or before February 1, 1951

Proof of the application of water to beneficial use must be filed with State Engineer on or before March 1, 1951

Sup. Filed APR 14 1947  
Proof of commencement of work filed JAN 17 1948  
Proof of Completion of work filed JAN 24 1949  
PROOF OF BENEFICIAL USE FILED FEB 2 1950

WITNESS MY HAND AND SEAL this 5th day of August, 1947

Alfred Henry Smith  
State Engineer.
